

Fiscal Year 2007 Total Giving \$10,239,839

During Fiscal Year 2007, Embry-Riddle recorded a record \$10.2 million in donations, new pledges and planned and estate gifts. In step with the university's commitment to quality growth, Embry-Riddle enjoyed significant contributions to:

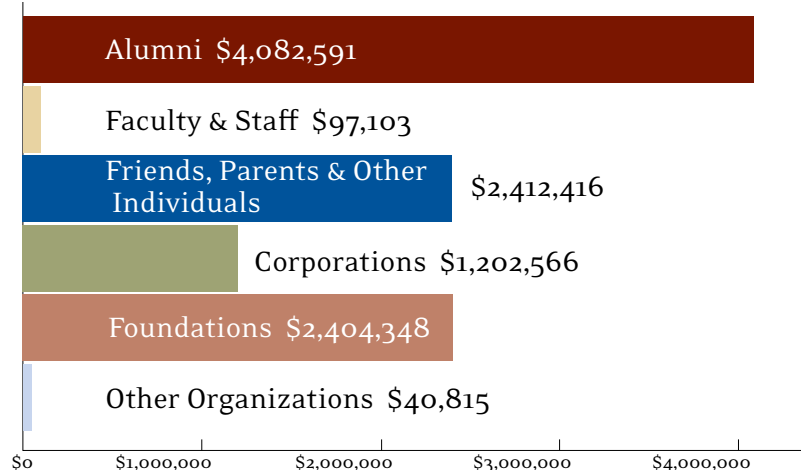

- **Enhance and expand its infrastructure**, with over \$4.2 million directed to new construction on the Daytona Beach and Prescott campuses (see Hagedorn and Robertson features for more highlights);
- **Increase student support**, with scholarships and fellowships totaling \$1.97 million—up from \$740,000 the previous year.
- **Secure future investment**, with deferred and planned gifts totaling \$3.2 million, a 60% increase from the previous fiscal year.

On the following pages are the names and inspirational stories of those who have helped Embry-Riddle reach new heights in its campaign for the future. Embry-Riddle Aeronautical University would like to extend its sincere appreciation to all who have shown this unprecedented level of commitment.
